

AMENDMENT 0004 OF SOLICITATION DAHA06-02-B-0001

1. Department of Labor Wage Determination CT02001 dated 07/19/2002 is incorporated into this solicitation.

2. INSURANCE- MINIMUM AMOUNTS

Reference the contract clause titled "Insurance- Work on a Government Installation" FAR 52.228-5, kinds and minimum amounts are as follows:

<u>KIND</u>	<u>AMOUNTS</u>
Workmen's Compensation	\$100,000 (1)
Comprehensive General Liability	\$500,000 per occurrence for bodily injury
Comprehensive Automobile Liability	\$200,00 per person and \$500,000 per accident for bodily injury, and \$20,000 for property damage
Aircraft Public and Passenger Liability (if applicable)	\$200,000 per person and \$500,000 per occurrence for bodily injury, other than passenger liability, and \$200,000 per occurrence for property damage, coverage for passenger liability bodily injury shall be at least \$200,000 multiplied by the number of seats or passengers whichever is greater.

- (1) Except in States with exclusive or monopolistic funds that do not permit workers compensation to be written by private carriers.

NOTE: Before commencing work under this contract, the Contractor shall certify to the Contracting Officer in writing that the required insurance has been obtained. The policies evidencing required insurance shall contain an endorsement to the effect that any cancellation or any material change adversely affecting the Government's interest shall not be effective (10 for such period as the laws of the State in which this contract is to be performed prescribe, or (2) until 30 days after the insurer or the Contractor gives written notice to the Contracting Officer, whichever period is longer. The Contractor shall maintain a copy of all subcontractor proofs of required insurance and shall make copies available to the Contracting Officer.

3. Building permits are not required for this project, this is a Federal Government Installation.
4. The Government will provide electronic documents to the Contractor for purposes of close out as-builts.
5. Drawing A201, Detail 3, Exterior Elevation prescribes stamped concrete at the Courtyard. This detail is derived from Drawing A101 which shows the courtyard. The note at Detail 3 also states

"see civil drawings": Drawings C-4 and C-9A show the extent of the courtyard, depicted by symbology as concrete. The courtyard (concrete area between the retaining wall, plantings and the building) shall be stamped concrete of a color and style selected from samples submitted, and approved by the Contracting Officer.

6. Delete section 3.01 of specification 01230, the schedule in the bid forms is the correct schedule of additive bid items.
